of the change. In such case, the cancellation fee paid by the traveller or travel agency will not be included in the travel fee of the new travel agreement.

3. If a traveller or travel agency wishes to change travellers for their own reasons, they must apply to Hankyu Travel International in writing or in a manner approved by Hankyu Travel International, and the change will only be permitted if approval is obtained from Ponant. In such case, the original traveller shall cancel the travel agreement and the replacement traveller shall enter into a new travel agreement. The cancellation of the original traveller's travel agreement will require payment of the cancellation fee to Hankyu Travel International as set forth in "Cancellation fee". In such case, the cancellation fee paid by the previous traveller will not be included in the travel fee of the new travel agreement to be paid by the new traveller.
4. All expenses incurred in connection with cancellations, changes, or substitutions other than cancellation fees (such as airfare, insurance, and expenses for changes to sightseeing, transportation, meals, etc. arranged by the traveller, travel agency, or Hankyu Travel International before and after boarding or disembarking) shall be borne by the traveller or travel agency.
5. Hankyu Travel International reserves the right to cancel the travel agreement or change the itinerary if it determines that it is difficult to carry out the trip safely and smoothly due to natural disasters, ship company circumstances, government travel restrictions, etc. In such case, reasonable alternative measures shall be taken for the traveller, but, as a general rule, refunds and compensation will not be provided.

Itinerary changes and alternative arrangements

1. Ponant and Hankyu Travel International may change all or part of the originally scheduled itinerary due to weather, Ponant's operational decisions, port restrictions, government travel advisories, etc.
2. If there is a change in the itinerary, Ponant and Hankyu Travel International will endeavour to provide equivalent alternative services whenever possible to ensure the safety and comfort of travellers.
3. As a general rule, refunds and deductions due to itinerary changes shall not be provided, but reasonable efforts shall be made to provide alternative measures for services that travellers were unable to receive.

Passport, visa, and other necessary documents

It is the responsibility of the traveller and travel agent to obtain a passport, and to confirm in advance with the embassy or consulate the necessary passport validity and visa requirements for any countries being passed through between the traveller's home or other point of departure and the embarkation or disembarkation point, such as Japan and South Korea, and to obtain and fill out the necessary documents. If the traveller is unable to enter Japan or South Korea or is unable to

board the ship due to incomplete documents, etc., Ponant and Hankyu Travel International shall not be held responsible and shall not offer refunds. Please note that travellers' passports may be held for immigration procedures upon boarding or during the cruise (it is recommended that travellers bring copies of their passport and visa). Immigration procedures for cruises vary depending on the port of call (notifications will be given in the ship's newspaper or in writing on board). Please note that if the traveller's name provided when applying to Ponant and Hankyu Travel International differs from the name (including spelling) on the traveller's passport, the traveller may be denied boarding.

Luggage

1. Bringing on board any items that Ponant and Hankyu Travel International deem inappropriate, as well as dangerous items such as weapons, explosives, and fuel, is strictly prohibited.
2. Pets are not allowed on board.
3. Personal belongings are the responsibility of the traveller. Ponant and Hankyu Travel International will not be held responsible for any loss or theft of any personal belongings of travellers.

Naturalists

1. On board the ship and at ports of call, naturalists (nature and culture specialist guides) dispatched by Ponant will accompany the passengers and provide commentary and experience programs on the environment, ecosystems, and local culture. The naturalists primarily speak French, German, and English.
2. The naturalists work together in their respective areas of expertise to plan trips that are safe, comfortable, and satisfy the intellectual curiosity of travellers.

Insurance and liability sharing

1. Hankyu Travel International is in the position of selling Cruise Products chartered by Ponant, and Ponant shall be responsible for the operation of the cruise, management of the ship, ensuring the safety of passengers, etc.
2. Ponant has taken out the necessary insurance, such as hull insurance, passenger accident insurance, and liability insurance.
3. Ponant, Hankyu Travel International, and the travel agency are mutually exempt from liability for damages caused by natural disasters, war, epidemics, government regulations, or other force majeure.
4. Travellers are strongly advised to take out overseas travel insurance (covering injury, illness, death, damage to personal belongings, theft, personal liability, rescue costs, etc.). Regardless of whether or not a traveller has insurance, the traveller is responsible for any accidents, injuries, illnesses, death, damage to personal belongings, theft, personal liability, etc. that occur during the

trip.

5. Ponant shall be responsible for the operation of the ship, onboard facilities, port excursions, etc. in accordance with its agreement terms and conditions and international shipping regulations, and Hankyu Travel International does not guarantee the fulfilment of these responsibilities.
6. If a traveller causes damage to a third party (such as an accident on board the ship or trouble at a port of call), the traveller shall bear the responsibility for it, and Hankyu Travel International, Ponant, and the travel agency shall not be held responsible in any way.

Health and safety

Travellers participate in activities during the trip (including mountaineering, hiking, extensive walking, general touring, water sports, riding various modes of transportation, recreational vehicles, bicycles, etc.) at their own risk. By participating in any such activities, travellers assume and accept all risks associated with such activities.

As Ponant and Hankyu Travel International are not qualified to assess the traveller's health, the traveller (or the traveller's doctor) must assess the traveller's health.

Ponant and Hankyu Travel International are not liable for any damages that may occur to travellers as a result of their activities during the trip.

Travellers may be required to sign a waiver for activities during the trip. Failure to sign the waiver may prevent a traveller from participating in the trip or certain activities during the trip.

Medical and support response

1. Travellers are obligated to declare their health status before boarding the ship, and if Ponant and Hankyu Travel International determine that it is difficult to carry out the trip safely based on the contents of the declaration, they may refuse to conclude a travel agreement or the traveller boarding the ship.
2. The Cruise Product has medical staff on board at all times to provide first aid and basic medical treatment.
3. As measures against infectious diseases, passengers may be required to have their temperature taken, undergo a medical interview, and present proof of vaccination before boarding, and measures such as wearing masks, disinfecting hands, and ventilating the ship will be taken on board.
4. If a traveller becomes ill or injured on board the ship, the onboard medical staff will provide first aid, but if the condition is serious, the traveller will be transported to a medical institution at the nearest port of call. Transportation costs, medical expenses, etc. will be borne by the traveller.
5. Hankyu Travel International will establish a cooperative relationship with Ponant and local medical institutions and strive to ensure the safety of travellers, but will not be liable for delays or restrictions in medical response due to force majeure.
6. Travellers who require special care or treatment during the trip due to health reasons must

declare their pre-existing conditions, medical history, medications, and health status in advance using the form designated by Ponant, either through their travel agency or Hankyu Travel International and, if necessary, submit a doctor's certificate. Ponant, Hankyu Travel International, and the travel agency will not be held responsible for any disadvantages arising from failure to report this information. Depending on the information declared and submitted, Ponant and Hankyu Travel International reserve the right to request the presence of an attendant or caregiver or to refuse participation in the trip. If Ponant and Hankyu Travel International refuse to allow a traveller to participate in the trip due to information reported or submitted after the cancellation fee occurrence date, they may require the traveller or travel agency to pay the cancellation fee.

Eligibility to board

2. Travellers shall confirm and declare that they and any minors included in the travel agreement are physically and psychologically fit to stay on board the cruise ship. Ponant or Hankyu Travel International reserves the right to refuse a travel reservation if it is unable to reasonably accommodate the traveller's needs or if it is determined that the traveller's health and safety may be compromised.
3. Minors are not permitted to stay in cabins alone. This restriction is not applied if guardians are present in connecting rooms, or if the minors are married couples under the age limit. If both individuals in a married couple are under the age limit, they must present a certificate in English. Children aged 6 and older sharing a room with an adult are counted as one person in the room and are required to pay the same travel fee as an adult.
4. Travellers with disabilities must be accompanied by a chaperone or caregiver to be able to participate in the cruise without any hindrance. Special assistance cannot be provided for individual needs. Wheelchair users can reserve wheelchair-accessible rooms (limited availability). Travellers who use electric wheelchairs must declare to their travel agency and Hankyu Travel International whether the wheelchair is collapsible and its size, weight, and battery type when applying.

5. There are no wheelchairs available on board. Zodiac boats, tenders, and shore excursions may not be wheelchair accessible.
6. If a traveller wishes to embark or disembark at any port during the cruise, separate procedures are required. The traveller must notify their travel agency or Hankyu Travel International in advance (a set fee will be charged).

8. Details regarding eligibility to board are governed by the General Terms and Conditions of Sale of Compagnie du Ponant, available here: <https://en.ponant.com/terms-conditions>.

Traveller behaviour

1. By participating in this trip, travellers agree to be bound by all rules and guidelines established by Hankyu Travel International and Ponant.
2. Ponant and Hankyu Travel International reserve the right to terminate a traveller's trip if the traveller abuses others, if the traveller's behaviour is disruptive, or if the traveller's physical condition adversely affects the enjoyment of other guests. If Ponant and Hankyu Travel International exercise this right, Ponant and Hankyu Travel International will not offer any refunds, will not pay for any travel or accommodation expenses required after the trip has ended, and will not be liable if the traveller is forced to leave the trip. Ponant and Hankyu Travel International will not be liable for any expenses incurred by travellers due to interruptions to their trip.

Refusal of boarding, forced disembarkation

1. At the time of application, travellers and travel agencies must report the necessary information in advance if there are any special care requirements (e.g., dialysis, dietary restrictions, etc.) that exceed the scope of what Ponant and Hankyu Travel International can handle. Passengers may be denied boarding or forced to disembark if they fail to report matters that should have been reported in advance. In such cases, we will not be held responsible and will not offer refunds.
2. Reservations and boarding will be denied to individuals from countries subject to economic sanctions, government officials, and individuals under surveillance in each country. If the ship's doctor determines that a traveller is unable to continue the trip for health reasons, or if the captain determines that the traveller or others are at risk, the traveller may be denied boarding or asked to disembark partway through. In such case, no refunds will be given for any cruise fare. We also assume no responsibility for any transportation or other expenses incurred as a result of disembarking.

2. Obtained personal information will be stored and managed after taking appropriate safety management measures in accordance with Japan's Act on the Protection of Personal Information, and efforts will be made to prevent its leakage, loss, falsification, etc.
3. Hankyu Travel International will not provide personal information to third parties (including Ponant) without the traveller's prior consent, except as required by law. However, this does not apply when the information is provided to Ponant and its contractors to the extent necessary for travel arrangements, insurance enrolment, shore excursions, etc.
4. Travellers may request the disclosure, correction, suspension of use, deletion, etc. of their personal information. Requests must be made in the manner prescribed by Hankyu Travel International, and will be accommodated within a reasonable scope.
